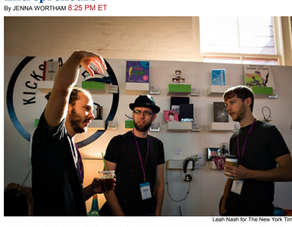
Success of Crowdfunding Puts Pressure on Entrepreneurs

By JENNA WORTHAM 8:25 PM ET



Leah Nash for The New York Times

Kickstarter's booth at the XOXO tech conference. Kickstarter has helped about 30,000 projects raise money.

Crowdfunding is a popular and lucrative source of money for entrepreneurs, but it is not always easy to turn a good idea into a profitable product.

All the TV News Since 2009, on One Web Site

By BILL CARTER 7:10 PM ET

Internet Archive plans to make more than 350,000 programs available on its Web site beginning Tuesday.

For Young Jews, a Service Says, 'Please, Do Text'

By LIZETTE ALVAREZ 36 minutes ago

Organizers of an offbeat Jewish service in Miami Beach used the language of the tech generation to try to keep young adults connected to their roots.

Microsoft Battles the Botnets

By RICHARD LARDNER | THE ASSOCIATED PRESS

The software giant has gone to court to stop what it calls a hub for illicit Internet activity owned by a Chinese businessman.

Despite a Slowdown, Smartphone Advances Are Still Ahead

By NICK WINGFIELD

The iPhone 5 that Apple introduced last week with only incremental changes seemed to signal that the smartphone industry has entered an era of technological bunny hops.

Dicey Path From App to Hit Show

By BROOKS BARNES

Despite millions of users, apps are not a surefire moneymaker for cautious studios.

On Web, a Fine Line on Free Speech Across the Globe

By SOMINI SENGUPTA

As companies set their own rules legal experts say they must be flexible to strike the right balance between democratic values and law.

Japanese Companies Close Facilities in China as Tensions Rise

By REUTERS

The dispute between Japan and China, over a group of uninhabited islets in the East China Sea, has led to violent attacks on factories, shops and even cars of well-known Japanese brands.

For a Fee, Streaming Local TV

By JENNA WORTHAM

Aereo hopes to offer an alternative for viewers who prefer to grab their favorite shows piecemeal from a number of online sources.

DISRUPTIONS
Let Silicon Valley Eat ... Ramen Noodles?
By NICK BILTON

Silicon Valley would like the world to think it doesn't care about money. But these start-ups aren't nonprofit organizations.

STRATEGIES
Kick-Starts From a Phone and the Fed
By JEFF SOMMER

The economy could benefit from two very different events last week: the announcement of the Federal Reserve's latest bond-buying plan and Apple's introduction of the iPhone 5.

THE ECONOMY
Skilled Work, Without the Worker
By JOHN MARKOFF

A new wave of robots is replacing workers in both manufacturing and distribution.
